

# Sony BRAVIA Theater Quad

Powered Dolby Atmos® home theater speaker system with Bluetooth® and Apple AirPlay® 2

## Product info:

- Wireless home theater surround sound system with Dolby Atmos and DTS:X
- Designed to complement [Sony BRAVIA TVs](#)
- 360 Spatial Sound Mapping for an expansive, immersive soundstage
- Sound Field Optimization calibrates the sound to match your room, speaker placement, and listening position (requires BRAVIA Connect mobile app)
- Four speakers connect wirelessly to a control box that plugs into your TV via HDMI cable
  - Each speaker has an up-firing driver, soft dome tweeter, midrange driver, and woofer
  - Control box and speakers must be connected to AC power
- X-Balanced rectangular design helps the woofer and up-firing speakers deliver punchier bass and better clarity
- Integration with Sony BRAVIA TVs automatically adds your sound system's settings to the TV's Quick Settings menu
- Acoustic Center Sync 2.0 lets the system and a compatible Sony BRAVIA TV work together to reproduce dialogue and other center channel sounds
  - Requires an additional stereo mini connection (cable included; future firmware update required)
- DSEE Ultimate™ uses artificial intelligence to upscale compressed digital music files in real time for high-quality music streaming
- 360 Reality Audio delivers an immersive music listening experience with compatible music streaming services (subscription may be required)
- Compatible with optional [SA-SW3](#) or [SA-SW5](#) wireless subwoofers for powerful bass (sold separately)
- Support for IMAX Enhanced via future update when paired with optional subwoofer (sold separately)

- plays high-res audio files

### **Smart features:**

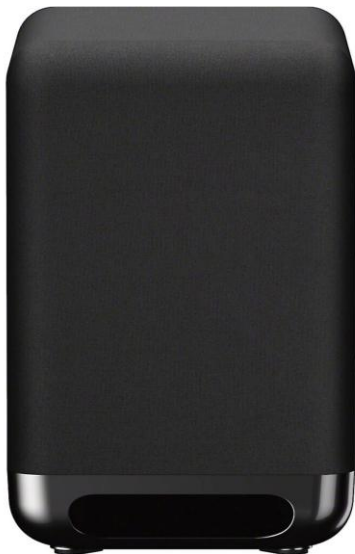

- Built-in Wi-Fi and Bluetooth for wireless music streaming from compatible devices
- Built-in Spotify® Connect for music streaming
- Apple AirPlay 2 lets you easily stream from iOS® devices
- Control the system with your voice using a [Google Assistant](#) or [Amazon Alexa](#) device (sold separately)

### **Connections and general info:**

- 1 HDMI 2.1 input, 1 output (cable included)
  - supports enhanced Audio Return Channel (eARC)
  - 8K/60Hz and 4K/120Hz video passthrough with support for Dolby Vision, HLG, and HDR10
- Ethernet port for a stable, secure wired connection
- Includes remote control
- 6-3/8"W x 2-1/4"H x 6-3/8"D (control box); 11-7/16"W x 10-7/8"H x 2-1/4"D (speakers, without stand), 11-7/16"W x 12-1/16"H x 5-1/8"D (speakers, with stand)
- Weight: 1.75 lbs. (control box); 5.3 lbs. (each speaker, without stands), 5.75 lbs. (each speaker, with stand)
- Warranty: 1 year

# Sony SA-SW5
