

Sony BRAVIA 8 II

QD-OLED 4K HDR Google TV

Specifications of the Sony BRAVIA 8 II

QD-OLED 4K HDR Google TV

HDMI:

Ultra High Speed HDMI 2.1 cable recommended for optimum performance

Product info:

4K resolution (3840 x 2160 pixels)

- Self-illuminating QD-OLED (Quantum Dot Organic Light Emitting Diode) display produces vibrant color, infinite picture contrast, and absolute black
- Supports enhanced Audio Return Channel (eARC), VRR, ALLM, and 4K at 120Hz
- Includes access to exclusive content on SONY PICTURES CORE

Picture:

- OLED's pixel-level dimming enables each of the panel's pixels to brighten, dim, or power off completely, displaying exceptional picture detail, contrast, and depth
- Quantum Dot layer powered by XR Triluminos Max display technology expands color volume for vibrant color even at high brightness levels
- High luminance panel and XR Contrast Booster 25 for dazzling highlights and deep, detailed dark areas
- High Dynamic Range (Dolby Vision®, HDR10, HLG) extends picture contrast and brightness when viewing HDR content

- XR Processor with AI technology intelligently enhances every scene in real time — boosting color, contrast, and clarity
 - XR Clear Image upscales lower-res content to re-create lost texture and detail
- IMAX Enhanced certification for improved performance with IMAX Enhanced 4K/HDR content
- Studio calibrated modes for Netflix, Prime Video, and SONY PICTURES CORE
- 120Hz refresh rate with XR OLED Motion for sharp, smooth motion even during fast action

Smart TV features:

- Google TV interface lets you browse live TV, movies, and TV shows from across many streaming services all in one place
- Apple AirPlay® 2 and Google Cast for wireless streaming from compatible devices
- Remote has built-in Google Assistant — control basic TV functions and compatible smart home gear, search TV's streaming services, set timers, and more
- Wi-Fi 6 (802.11ax) provides fast, reliable wireless streaming

Gaming features:

- 4K at 120Hz for smooth, stable graphics
- Variable Refresh Rate (VRR) reduces stutter and frame tearing for smoother gameplay
- Auto Low Latency Mode (ALLM) for reduced input lag

- Auto HDR Tone Mapping for PS5
- Game Menu offers easy access to settings including screen size, black equalizer, and motion blur

Connections:

- 4 HDMI inputs (two 2.0b, two 2.1)
 - supports Auto Low Latency Mode (ALLM)
 - HDMI 3 and HDMI 4 inputs support 4K/120Hz and Variable Refresh Rate (VRR)
 - supports enhanced Audio Return Channel (eARC)
- RF input for antenna/cable signals
- Toslink optical digital audio output
- Ethernet port for the fastest, most secure internet connection
- 2 USB inputs for connecting a thumb drive or hard drive

Sound:

- Acoustic Surface Audio+ makes the entire screen a speaker
- Built-in 2.2-channel speaker system
- Acoustic Center Sync synchronizes TV speakers with compatible Sony soundbars for fuller, more immersive sound
- Voice Zoom 3 improves dialogue clarity
- Supports Dolby Atmos® and DTS:X®

General features & info:

- compatible with optional BRAVIA CAM for video chat, gesture control, and Ambient Optimization Pro (sold separately)
- Warranty: 1 year parts & labor
